“Conference on Electrochemistry for Industry, Health and Environment, EIHE-2020” is to be organized under the auspices of **Indian Society for Electroanalytical Chemistry (ISEAC)** at DAE Convention Centre, Anushaktinagar, Mumbai 400094 during January 21 to 25, 2020. Excellence of electrochemistry in wide spectrum has been included under the scope of this conference. This series of international events have been admired by the national and international scientists and is expected to have large number of eminent scientists from India and overseas. It will be an excellent opportunity to the academia and students to interact with the national and international experts and widening the scope of scientific collaboration. All experts, researchers, students, industrial units working in this interesting area of research are invited to participate.

Mumbai is a commercial and entertainment capital of India and one of the most modern cities. The city offers a diverse cosmopolitan lifestyle with a variety of food, entertainment and night life. Besides local tourist destinations the city also offers plenty of shopping options for modern and handcrafted items. Weather in Mumbai during January will be pleasant, it will be bright sunny days with temperature hovering between 18 to 30°C. It will be warm during the day time and cool breezes at evening through night.

DAE Convention Centre, Anushakti Nagar
Bhabha Atomic Research Centre, Mumbai 400094

Important dates

Abstract submission

1st June, 2019 to 15th October, 2019

Registration

1st September, 2019 to 30th November, 2019

Registration

Life members of ISEAC will avail discount of INR 1000 in the registration fee. Accommodation will be arranged for 6 nights (January 20 – 25, 2020) at BARC facilities. Registration fee includes conference proceedings, lunch & dinner during the conference. The conference proceeding will be given to the primary registered delegates.

Category		Accommodation	
		With	Without
From Universities/ Government institutes, India	Faculty	INR 7000	INR 6000
	Student	INR 4500	INR 3500
	Accompany	INR 4000	INR 3000
From Universities/ Government institutes, Overseas	Faculty	US\$ 500	NA
	Student	US\$ 300	NA
	Accompany	US\$ 300	NA
Industries/ Public Sectors	Employee/ Accompany	INR 12000	INR 8000

Registration fees is only accepted through Online Fund Transfer (independently) to the following account:

Name of Bank: State Bank of India, BARC Branch, Mumbai-400 085, India
Branch code: 1268

Beneficiary name: Indian Society for ElectroAnalytical Chemistry (ISEAC)

Account number: 000034209997299

BIC (Swift Code): SBININBB508

IFSC code (for within India): SBIN0001268

Please pay the specified fees through your online banking system and then submit the registration form enclosing the transaction receipt (your name.pdf) through the conference web site.

There will be poster and oral presentation awards to encourage the students to carry out research in this area.

It is mandatory to obtain Conference VISA for foreign nationals.

“ALL ARE CORDIALLY INVITED”

Scope

Electrocatalysis
Electrochemical Instrumentation
Battery, Supercapacitor and Solar cell
Electrochemistry in Nonaqueous Solvents
Fundamental and Computational Electrochemistry
Electrochemical Sensors and Biosensors for Health, Medical and Environmental Sciences
Electrodeposition, Electrosynthesis and Electroplating
Electrochemistry in Pharmaceuticals and Drugs
Nanoscale and Molecular Electrochemistry
Electrochemistry in Nuclear Energy
Electrochemical Corrosion

How to Reach

Mumbai is well connected to other parts of India and the rest of the world.

Participants arriving by train may alight at Lokmanya Tilak Terminus (LTT), Dadar, Mumbai Central, Mumbai CST or Bandra Terminus.

Participants travelling by flight will arrive at Chhatrapati Shivaji International Airport (Domestic (T1) / International (T2) terminal)

Plenty of options for cabs are available at airports and railway stations. Delegates are advised to take prepaid cab/call cabs (UBER, OLA etc.) service at airport and railway stations.

Symposium venue is at Anushaktinagar, which is also known as BARC Colony. The symposium venue can also be reached by suburban trains in the harbour line and the nearest station is Mankhurd railway station and conference venue can be reached from Mankhurd railway station by Autorikshaw. **Accommodation** for most of the delegates will be arranged close to the conference venue.
